THE MANTEO HISTORIC PRESERVATION AND
ARCHITECTURAL REVIEW COMMITTEE

Sec. 3-1. Purpose.

The purpose of this chapter is to promote the public health, safety and welfare by preserving and protecting the historic structures and historic neighborhoods in the Town of Manteo in furtherance of the Town's stated goal of protecting a small-town atmosphere, and consistent with the Town's major industries of tourism and heritage tourism..

The purpose of the District is to preserve that designated area of the Town which embodies important elements of the Town's historical, cultural, and architectural assets.. Structures located within the boundaries of the District, when taken individually or as a whole, possess integrity of design, setting, materials, feeling and association that must be preserved to maintain the overall historic character of the Town. Conservation of the District is intended to provide for the education, pleasure and enrichment of residents of the Town and the State of North Carolina. Designation of the District reflects the Town Board's desire to safeguard Manteo's heritage, protect its small-town atmosphere, promote its main industry of tourism, and enhance the environmental quality of neighborhoods while improving property values and fostering economic development
